

### Level 5: INDEPENDENT EXPLORATION / EXTENSION SHEET

**Directions:** Now that you have mastered the previous learning targets. You should now have the knowledge and ability to extend that knowledge to create your own Learning target, extension activity and product that displays your knowledge. Use the information from all previous levels and your own creativity to answer the questions below.

WHAT IS THE TOPIC YOU ARE CURRENTLY WORKING ON: \_\_\_\_\_

WHAT IS ONE ASPECT OR PART OF THE UNIT THAT YOU FOUND MOST INTERESTING?

---

---

---

WHAT IS ONE THING YOU WOULD STILL LIKE TO KNOW, OR HAVE QUESTIONS ABOUT? (It doesn't have to be something you have already studied and can [and should] include connections to other contents)

---

---

---

WRITE A LEARNING TARGET FOR THE SPECIFIC TOPIC AND KNOWLEDGE YOU HOPE TO GAIN FROM LEARNING MORE ABOUT THE QUESTION ABOVE:

I CAN (predict, analyze, infer, evaluate, create, design...) \_\_\_\_\_

---

---

HOW WILL YOU EXPLORE OR STUDY THESE QUESTIONS (explain in detail below)?

---

---

---

ONCE YOU HAVE STUDIED YOUR REMAINING QUESTIONS AND EXTENSION TOPIC HOW WILL YOU DEMONSTRATE KNOWLEDGE OF IT? (Remember...you may know more than the instructor about this)
